INTERVIEW SUMMARY

Participants: XIAOZHEN Xie David M. La Bruno

Date October 10, 2006 Time: 2:45PM

Type of Interview: Telephonic

Substance:

An Office Action was issued September 12, 2006 with Restriction required between claims 1-16 of group I and 17-32 of group II. However, Applicant notes that a preliminary amendment was filed with the application filing on August 24, 2005. The

preliminary amendment canceled claims 1-32 and added new claims 33-52. Therefore, claims 1-32 are not longer pending and action should be taken with respect to claims 33-52. Examiner Xie indicated that the current office action will be withdrawn and a new office action that considers pending claims 33-52 will be issued.

Prompt action on the merits is earnestly solicited. The Examiner is invited to telephone the undersigned should she believe this would expedite prosecution of this application. It is believed no fee is required. The Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account No. 13-2165.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David M. La Bruno", written over a horizontal line.
